

2016 REALTOR® Dues

Since 2002, your local REALTOR® membership dues have been \$121 per year. Over those 13 years the costs of providing services have increased while dues have remained the same. The CMR Board of Directors voted at their July meeting to increase annual dues for 2016 by \$39 to a total of \$160. The reasons for the increase are as follows:

NAR requirements for local Associations to maintain its charter have resulted in increased expenditures

The educational and skill level required for staff have elevated

- Accounting fees have increased sharply
- Insurance has more than doubled
- Costs of facility rental & catering for meetings have increased sharply
- Leadership training/travel have increased annually
- Credit card fees for the benefit of online payments have increased annually

Annual dues bills will be emailed to members on Oct. 1 with the due date of Dec 1.

The renewal notice will include the cost of renewing membership in all three REALTOR® organizations:

NAR - \$155

MAR - \$161

CMR - \$160

Total - \$476
